Wednesday Thursday Friday

Virtual & Live Program

LIVE VENUE
Glendale, CA

Unlock the Full Potential of MyEvaluations

Dive deep into MyEvaluations with our exclusive Super-User Training Program. Over three days, led by Dr. David P. Melamed, enhance your skills in compliance, workflow management, curriculum development, and advanced analytics. This comprehensive training is designed for GME professionals seeking to leverage MyEvaluations for peak program performance.

Training Highlights

- ✔ **Compliance Mastery:** From ACGME Milestones 2.0 to Self-Study processes, learn to navigate compliance.
- ✔ **Workflow Efficiency:** Discover strategies for paperless onboarding, ERAS data integration, and effective communication.
- ✔ **Advanced Management:** Harness powerful tools for data mapping, self-assessments, and clinical hour tracking.
- ✔ **Curriculum Innovation:** Automate curriculum distribution, embrace EPA evaluations, and utilize MyQuiz for improved outcomes
- ✔ **New Skills:** Explore geofencing with MyQuickPass, customize evaluations, and master the MyEvals mobile app.

Attendees will complete the program with the skills to leverage MyEvaluations comprehensively for program compliance, workflow optimization, curriculum management, and data-driven program improvement.

Ensure Alignment with ACGME Standards:

- Ensuring ACGME Milestones 2.0 are fully integrated.
- Effectively managing the CCC.
- Establishing robust systems for scholarly activities.
- Utilizing management reports and tools to keep a close watch on evaluations, milestones, and more.
- Keeping up with ACGME CPR for full compliance.
- Streamlining the APE and Self-Study processes.
- Leveraging evaluation reports.
- Simplifying clinical hour tracking with MyQuickPass.
- Utilizing OLBI for early detection of burnout.

Optimize your program's operations with:

- Adopting digital onboarding and credentialing.
- Utilizing MyPortfolio for managing documents, scholarly work, and QI projects digitally.
- Employing Messaging for effective communication.
- Scheduling all program activities with MySchedule for comprehensive time management.
- Incorporating external scheduling tools
- Automating the assignment of evaluations.

Elevate Educational Standards & Management:

- Seamlessly manage curriculum distribution and engagement.
- Employ EPAs and tailored evaluations for accurate assessment
- Generate and share educational tasks to foster learning and knowledge retention.
- Utilize MyQuiz to elevate ITE scores.
- Monitor and celebrate scholarly achievements within your program.

Employ Advanced Management Tools:

- Integrate evaluation outcomes, clinical hours, and curricular content for integrated training.
- Correlate conference attendance, procedural skills, and quiz results with milestone achievements.
- Implement milestone self-assessment and MyInsights for continuous improvement.
- Engage in strategic Performance Improvement Planning for targeted development.
- Enhance procedural and patient logging, including detailed tracking of Surgical EPAs.

Integrate Efficiency Tools:

- Implement MyQuickPass with geofencing.
- Tailor procedures and patient logs.
- Enable nurse verification of competencies.
- Master the latest MyEvals app features.

Elevate your medical education management capabilities with MyEvaluations.

Register now to secure your place in this transformative program.
